

Notes from Kim

We have a busy month of transitions in front of us as we get ready for a new school year! School will be **CLOSED Monday, August 10th**, to prepare for the new school year. Our floors will be cleaned and polished, and classrooms set up and ready for their return. Our Preschool II Open House will be Monday, August 17th from 4-5 pm and Pre-K Open House is scheduled for Tuesday, August 18th from 4-5 pm at our satellite location. We'll be saying, "See you later", to our friends moving onto Kindergarten on Friday, August 14th, and making room for new ones. We're excited for the new school year!

We're excited to now offer and serve fresh fruit and vegetables from our gardens. Look for our Fruit and Vegetable stand located near the entrance. The children have been busy picking, sorting, and eating what they've gathered so far. Soon we will have enough to share with our community for a small charge. All proceeds will go toward our playground restoration. The children are always eager to collect and count the money received each morning. They also look forward to checking for blueberries, (eating a few), along the way.

Calling ALL moms, we are SO excited for MOM's Night Out! Mom's Night Out will take place on Wednesday, August 13th, at 7 pm in our beautiful enchanted garden where the fairies call home. This is a great time to come together, share, and form special connections with other moms. It is by donations for our playground recovery. We look forward to visiting with each one of you! There will be a sign-up sheet at the office for all moms.

Thank you for getting your Re-Enrollment forms in on time. As you know or soon will realize our program is unique. We pride ourselves on forming relationships and partnering with all of our families. Please help us welcome our new families. We're excited to have them join us!

Welcome to our Little Jack's Corner Family

Sunscreen Request: We are trying to soak up as much sun as possible in the mornings before it gets too hot. If you would like your child(ren) to have sunscreen on before their morning play please help us by applying sunscreen on them before they arrive at school.

Going forward we will only be applying sunscreen in the afternoons.

Thank you for helping us get to our play sooner!
