

## Notes from Ms. Kim

Thank you for all the incredible words of appreciation and the generous gifts and treats for Teacher Appreciation Week! It's always a great feeling to be appreciated for the work that we do with your children.

We will be celebrating our Dads this month on **Friday, June 17<sup>th</sup> at 9:00 am**. We're inviting all of our amazing dads to join us for **Donuts with Dads**. The children will sing some songs for you, then you'll enjoy eating some donuts and fruit, followed by creating a special project with your favorite little person/s. We hope to see all of our dads and even grandpas for a morning of food and fun!

Thirteen children will be graduating on Friday, June 24<sup>th</sup>. We will be **Closing Early at 4 pm** to allow our teachers to attend the **Graduating Ceremony** that will begin at 4:30 pm. There will be a sign-up sheet posted at the front office. Please make sure each family signs up with the number of guests that will be present to support your graduate. We will have a small reception after the ceremony that will allow you to see a sampling of the children's amazing work accomplished and milestones mastered.

In an effort to plan our summer schedule, please advise us of any changes that will take place in YOUR summer schedule. We will have a temporary contract in place to establish any changes in the schedule for the summer.

Please check your child's box and exchange any clothing items that need to be refreshed for the warmer season. **Winter items can now go home**☺ Please bring in **Sunscreen LOTION** if you haven't already. We have a form for you to fill out that is located at the office.

*Words can not describe how important and influential our volunteers are to the lives of our little people and to their social, emotional, and physical development. One of the many ways parents can advocate for their child's education is to volunteer in their learning environments. There are many opportunities you can engage and play an active role in your child's education. We will be sharing some ways in the newsletters to come!*

*A heart felt "Thank You" goes out to the following volunteers for volunteering your time and energy Saturday, May 21<sup>st</sup> : Ms. Micaela, Ms. Julie, Luppino family, Peterson family, Pak family, Leach family, Paris family, and Marquez family.*

*We were able to refresh the sand boxes and yards with 16+ tons of sand, stain the outdoor kitchen, pressure wash, refresh the stone pathway with gravel and add a rope of straw along the fence to prevent erosion. The children were excited to explore their fresh new outdoor classrooms!*
