

Notes from Kim

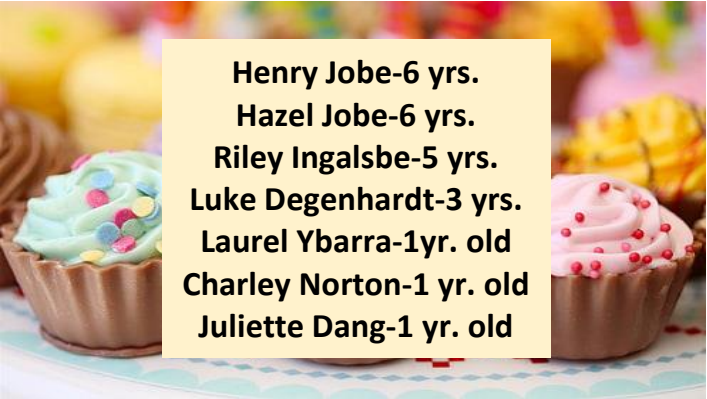

We had an amazing time celebrating Father’s Day on our annual Donuts with Dad this year! It was fun seeing so many dads and grandpas. It made for some very sweet and cool photos of the bonds our male role models share with their children. The children always look forward to seeing their loved ones out in the crowd. It warms our hearts to see the connections!

Our Pre-K graduation ceremony was a beautiful display of our children’s first five years of life. They’ve mastered so many milestones! We’re proud of their hard work, and have thoroughly enjoyed being on this early learning journey with them. Many hearts were warmed by their performance and seeing their artwork on display. It was great to see so many family members and family friends come out to support the education of these children...just the first of many great accomplishments for them!

**Little Jack’s Corner’s Gardening News!**

We’re preparing for an abundance of fruits and veggies for the children to enjoy harvesting and eating for their meals. The menus will show, “seasonal fruit/veggies”, for the summer months. The children will be busy picking, sorting, and eating what they gather. The children are always eager to collect and count what they pick each day. They also look forward to checking for blueberries, (eating a few), along the way.

The Fruit & Veggie Stand is up! The children will be stocking the stand daily with fresh organic fruits and vegetables. ***Please keep in mind that many hours of hard work have gone into planting, caring for and harvesting these fruits and vegetables. Please be mindful and respectful in your giving. All proceeds will go to support the children!*** Thank You!
