

Notes from Kim

We hope everyone had a wonderful time celebrating the New Lunar Year! The children were excited to learn and enjoy the many traditions Ms. Julie had to share with them. They were able to participate in storytelling, food tasting, and learning about the Asian culture. Thank you Ms. Julie for making it fun, and an educational experience for all.

The children are working on decorating their Valentine boxes, and are getting them ready to receive all of the Valentines from their friends. The art work on their boxes are one of our favorite examples of the importance of the process in how children create and explore through art. Please take a moment to view their amazing gallery of art upon entering the main center. We all take great pride in their hard work! We have enclosed a list of all the children that attend LJC. Our Pre-K children are asked to sign "their name" on all of the cards, (for their friends in their classroom), and if they are willing and able have them write their friends name as well. They have 2 weeks to work on this so make it a fun experience as they work on their handwriting skills. Parents are welcome at the Valentines party.

Tax season is around the corner. Our Employer ID# is located on your child's invoice. BrightWheel has made it easy for all!

February is National Dental and Community Helpers month. We have a special parent, Janee Gariano, who has offered again to do a presentation on good dental habits for our children. The children thoroughly enjoy learning about teeth and the importance of taking good care of them. We're excited to practice our brushing skills on our stuffed animals. We will also be welcoming several parents as they share about their important roles within our communities. We'll be posting the children's experiences through BW.

Please check at home for any extra black socks (magic socks). Our magic socks, (the black socks the children wear inside our classrooms), are starting to diminish and we need your help to make sure our baskets stay full. Thank You!

Reminder: We are still operating with reduced hours. **6 am-5 pm.** We are not at full staffing capacity. As much as our teachers love our LJC families they can't wait to get home to their families and life events. We appreciate every effort to make sure they can leave on time.

Dates to Remember in February

Lunar New Year-Sunday, January 22nd-Friday, January 28th

Groundhog Day-Thursday, February 2nd

Valentine's Day- February 14th (LJC Valentine Party @2)

President's Day- February 20th (We're OPEN Normal Hours)

**We hope you know
that every day with you is like
Valentine's Day.
Thank you for your love and all
that you do for us! We love you
with all our hearts.**

**Love,
Your Children**
