

Notes from Kim

Our **Annual Costume Parade** will be **Monday, October 31st, at 2:00 pm**. Please bring your child's costume in the morning to school, and we will dress each one for the parade. As always we invite **ALL** parents, grandparents and friends to join in our **Fall/Halloween festivities**. WE will parade from the school to our Fall Display in the front of the garden, take pictures, and then gather pumpkins from our pumpkin patch to take back to school for more fun activities.

Picture Day is the morning of **Thursday, November 3rd**. Please bring your children dressed for their photos, (We'll change them into their play clothes after their picture is taken). *If your child is not scheduled to be at school this day we encourage you to drop by between 9:00 am-10 am for their school photo.* We ask parents to remain outside during photos to ensure the photo process runs smoothly for your child.

Mark your calendars for **Parent Teacher Conferences** for the week of **Monday, November 7th-Friday, November 11th**. Our sign-up sheet is posted at the front office for your convenience. Please note that all conferences will be set up so that class times will not be disrupted.

Thank you for dropping your children off in a timely manner. *Please continue to make your drop off short and sweet with a hug and a kiss.* Mornings are extremely busy for all, and we want the earliest transitions to be as smooth as possible. ***If your child eats breakfast with us please have them at school by 7:10 am.*** All programs begin at 8:00 am. Thank you for helping us make these transitions easier for all!

It's definitely beginning to look like **Fall...** Please check your child's boots to make sure they're still in good condition and still the proper size. Also, please check their cubbies for appropriate clothing/outerwear for the cooler weather change. ******Please label all clothing and items that are brought to school.******

We will be wearing **yellow/gold** on Wednesday, 11/2/2022 to show support for Noah and other children facing Cancer. *Please keep Noah and his family in your prayers as they face some difficult challenges before returning to LJC. His classmates will surely miss him after reuniting for a short period.*

Viruses/Illness

Viruses are contagious. They spread through **ALL** bodily fluids. It's a priority of ours to take every precaution to ensure the health and safety of every child and staff member. Unfortunately, it only takes one infected person to bring in and share with our school.

IMPORTANT: For emergency purposes, we will need to be informed if your child has been medicated and why before arriving at school.

November Dates to Remember
