

Notes from Ms. Kim

Happy Spring to everyone! Spring is a time for new beginnings and rebirth. We have the joy of watching the flowers and trees bloom, watching outdoor Spring sports, BBQ's, and much more!

Easter Sunday was March 31st. We enjoyed seeing our LJC families join us for our traditional Grandma Millie's Easter Egg Hunt. Each child received a special egg with their name written on it. It's a great way to teach through play how to recognize their name as well as their peer's names. We hope they enjoy their special surprise!

April is Grandparents Month. We invite all grandparents, even virtually, to join their grandchildren in watching the amazing things they do each day at school. Grandparents can call and schedule a day and time in the afternoon to come do a special project together that they'll be able to take with them when they leave. Please contact the main office at 253-218-0646 or e-mail Kim at kblow@danner.net. Your grandchildren look forward to quality time spent sharing their school with you!

Our Spring Parent Teacher Conferences are scheduled for the week of Monday, April 15th-Friday, April 19th. Please make sure you have a 30 min. conference time scheduled. Due to staffing in our Preschool II and Pre-K classroom we will not be able to offer conference times in the morning. We look forward to discussing your child's milestones with you!

We will be sending our pledge sheets for the St. Jude's Trike-A-Thon home the first week in April. Our Trike-A-Thon event will take place on Thursday, April 25th at 2:15 pm. We invite you and your child to decorate and bring in (the morning of), your child's decorated trike, scooter, wagon, or wheels of choice. We will set up a driving course in the parking lot for the children to cruise the course until their hearts are content. Parents are welcome to join us for the ride!

Ms. Donna would like to extend a special "Thank you" for your wonderful donations to our local animal society. The children enjoyed walking over and sharing the donations with all the animals.

Sad farewells are given to those people who are extremely prized and special.

Dear Ms. Julie, you are one such person. The reason school is so much fun! We will miss all our adventures with you. We know you will miss us too! Farewell Ms. Julie

A note to Grandparents

Everyone at Little Jack's Corner is very excited to be celebrating our grandparents for the month of April. We would like to invite all of our grandparents to spend some time outdoors on our playground with their grandchild/ren. Come and see the incredible things these children do and experience at school every day. Please join us as we play and learn from our environment. We are privileged to spend each day with these wonderful children and would like to share this experience with each of you.

April Birthdays
